

# DR DANNY SHUB PSYCHIATRIC CONSULTATION SERVICE

---

DR SHUB IS OFFERING A PSYCHIATRIC CONSULTATION SERVICE FOR NON-ACUTE PATIENTS OF ALL AGES UNDER MEDICARE ITEM 291 (ONE-OFF ASSESSMENT AND DEVELOPMENT OF MANAGEMENT PLAN).

This service includes:

- Comprehensive psychiatric assessment, which includes discussion of diagnostic issues and appropriate treatment strategies
- Development of a clear and concise written management plan that includes diagnostic profile and recommendations for evidence-based treatment including specific medication details and dosages (if required) as well as psychotherapeutic treatment and parameters.
- This plan is provided to the patient and GP and can also be shared with other health professionals

- The management plan is executed by the GP (with recommendations for referral to appropriate psychotherapists provided if applicable)
- GP is able to consult Dr Shub via email regarding any aspect of treatment
- The plan can be reviewed and updated by Dr Shub each year if necessary.

The fee for the assessment and treatment plan is \$850. A Medicare rebate of \$385 is available.

Please indicate on referrals that a one-off assessment and treatment plan is required. Referrals can be faxed to 6161 5314 or emailed to [danny@dannyshub.com.au](mailto:danny@dannyshub.com.au)

## WHO IS THIS SERVICE SUITABLE FOR?

.....

The service is available to patients of all ages (children, adolescents and adults) and is particularly helpful for clarifying diagnostic issues and management approaches. It is also useful for those wanting a second opinion or medication review. It is not appropriate for acutely unwell patients who require intensive psychiatric management or hospitalisation.
